The mission of the Medical Board is to protect consumers through proper licensing and regulation of physicians, surgeons, and certain allied health care professionals through enforcement of the Medical Practice Act.

President's Message - Jayne Lastusky #100

Last week we kicked off our new year with a wonderful enthusiastic crowd of Rotarians and guests. I want to again thank everyone who helped make this first meeting so special. This is going to be a fun and enjoyable year for all. We are working on a new format for the Rotarygram with new content. There will be features on each of our Avenue of Service Directors so that you can get to know them better and hear about exciting opportunities for your involvement. In celebration of our centennial we will also include a fun section that will focus on our great history.

I need your help. We are building a photo library and need current photos. I encourage all of you to share your wonderful pictures. Capture the Rotary moment and send your pics to Madrid. Help us document and share with others the fun times and good work of our great club. Don't forget to get your official Rotary centennial hat. Help celebrate our first 100 years and protect your beautiful face at the same time.

Last Week's Meeting Highlights - July 6

LA County Sheriff Jim McDonnell was the first lunch program speaker for President #100, Jayne Lastusky. McDonnell was very appreciative of the time spent as LB Police Chief, complimenting law and safety enforcement staff and the citizens of Long Beach. Sheriff McDonnell provided timely insight into the complexities of running one of the largest law enforcement agencies in the nation and its role in protecting and saving lives. As part of a new feature for the song on the first Wednesday of the month to honor our guest speaker, Laura and Alfredo Velasco created new lyrics to "Old McDonald had a farm...", befitting Sheriff McDonnell association with Long Beach.

President Lastusky raised \$1,500 for the LB Rotary Charitable Foundation by recognizing Russ Hill (for two financial planning magazine covers) and Craig
