Gail Schwandner #102

***President's
Message***

President-elect

President-elect Gail Schwandner reveals the Rotarians who have agreed to serve on the Board of Directors for FY 2018-2019. Find out who has agreed to take on leadership roles to continue to propel the club forward into its second century. One of the major events for the next year will be our club's hosting of the Large Club Conference where 64 large clubs around the country will be sending their executive directors, presidents-elect and presidents-nominee. PE Schwandner will also announce President #104, selected by the Election Committee that you voted on in September/October.

Gail Schwandner is going to be the best President this club ever had. We have had the pleasure of operating with Gail for a number of years and we think the world of her. This Wednesday she will reveal her Board of Directors for the year starting in July, including the next designated President who will serve following Mollie Beck. We will be hosting the Large Club Conference next year and Gail has the heart, brains and savoir faire to make this event a blast. We have known her to be cool, efficient and free of the dramas that affect most of us. Nobody does it better. We are fortunate.
