***This Week's Lunch Program -
Wednesday - January 10 - Disney
and Universal: Targeted Markets -
Rose Gonzalez***

Rose Gonzalez is Director of Strategy and Planning for Universal Studios at NBC Universal. She will be talking about her experience building targeted markets for Universal and Disney Studios. Rose could have easily been one of our Camp Enterprise kids--graduating from Banning High School in Wilmington with no plans for the future---if it hadn't been for people who influenced her journey.

***President's
Message***

Throughout the holidays we have enjoyed each other as friends and family while taking a well-deserved two week respite from hard core service and full tilt party planning. We settle back into our jobs, our routines and our calling to serve in the company of wonderful people as we gather on the Queen this Wednesday. We are all excited to be back together in force.

This Thursday's Five O'Clock Somewhere at Aroma di Roma provides an opportunity to get together on 2nd Street and blow off a little steam amongst friends while supporting a Rotary business. See you there.
