***President's
Message***

Club members descended on the Boathouse on the Bay last Thursday to enjoy the fine hospitality of John Morris. Members put away crab cakes, sushi and plentiful libation while enjoying each other's company.

Thanks to everyone who took time on Saturday to clean up Centennial Park. Many of our greatest relationships and ideas have grown from conversations that arose while picking up trash in our pajamas. We are proud of members who contributed to the renovation of the park in our Centennial year as well as members and friends who keep the renovated park maintained and alive.

Jerome Carter is not only apropos for those shot with Cupid's arrow, he is an uplifting speaker who has a lot to teach us about all interpersonal relationships. See you at the Queen Mary this Wednesday.
