[President's  
Message](#)

Last week we enjoyed a riveting program on Winston Churchill's political challenges in the opening days of British involvement in World War II. Approximately 30 members enjoyed a visit to the Queen Mary's Churchill exhibit following the program. Thanks to Vice President Vali De Vries and Bond Nichols, a member of speaker David Freeman's Churchill society, for bringing this apropos program to our club.

On Thursday evening 41 members of the club gathered at Lasher's Kitchen on 2nd Street for a Five O'clock Somewhere. We enjoyed libations and delicious food in the best of company. Ray his wife Lynn were, as always, gracious hosts and everyone who works with them is a world class human being. Excellent service. Thanks for the hospitality, Lasher's; we are proud of the great place you run.

Remember there is a business roundtable Thursday morning. There is a tradition of business coordination more than a hundred years old that runs through our club. Working with straightforward, competent and caring people that we know and like improves our quality of life. Members should get to know this culture and participate with deep respect.
