***President's
Message***

Last Thursday, 37 members of our club joined John Grey at Parkers' Lighthouse for another wonderful Five O'Clock Somewhere. The setting sun descended gently on the water and an air of relaxation settled upon us. The service was excellent and a landslide of delicious hors d'oeuvres made us all feel at home. We were all happy to shrug off the week, reflect on recent events, usher in Spring and most of all relax together. The best part of being a member of our club is getting to know another member better.
