As one of 10 children living in Cambodia Town with his immigrant parents, Ouk was a rebellious child caught in race wars and in a gang. In 2009 when his sister died in a traffic collision, he began to pursue his dream of becoming a chef and restaurateur. **President's
Message**

On Tuesday we had the pleasure of gathering at Willetta McCulloh's Environ Architecture office for a Camp Enterprise briefing. A positive, confident and efficient spirit electrified the air as Wendy Sorel joined Willetta in laying out our well prepared plan of action. Our members are caring, attentive, smart, hard-working people driven to help others. The time and effort so many of us have spent ensuring these high-schoolers have a transformative experience reflects everything we love about the Rotary Club of Long Beach. Looking around the room made us proud of our friends and grateful to be part of this noble endeavor. It is wonderful to expose our newer members to the glory of our club through the lenses of communal Enterprise. Off to Camp Oakes and may the spirit of Mark Bixby propel our thoughts and actions.

Apr. 22 - **Mu Zhang** - Encore Awards/Jensen Rubber Stamps, Trophies and Promotional Products
