***President's
Message***

It was a hot Friday evening in Buena Park and our district conference was warming into an excellent hospitality night. We had the pleasure of dancing with Lydia Vincenty-Lowell to the Latin rhythms and classic disco peeling over the tennis courts as the DJ worked his magic. It was a pleasure to see new member Henry Fung and his partner Judy Seal getting into a district conference with both feet. Members drank and devoured as we distributed slices of iced chocolate pie. Keeping with a bizarre Star Wars/Charlie Brown conference theme, Steve Shaw was resplendent in Darth Vader threads. It was great to spend some time with Petar Sardelich, Meredith Shaw, Efren and Marilyn Baca, Adriana Lanting, and Willetta and Steve

McCulloh. These folks comprise the backbone of our Club Service and International Service components. We are proud of their hard work and good times they create in bringing it to fruition.

Saturday morning brought breakfast with Past President Brian Russell, an Assistant District Governor, and Greg and Val Owen. The breakfast and lunch speakers brought perspective and substance to the work we support around the world. Listening to the people who serve on the International level adds gravity and substance to our identity as Rotarians. We are fortunate to be involved in serious and efficient work that makes this world a better place. We are overjoyed to be pursuing these objectives in the best of company.
