**This Week's Lunch Program -  
Wednesday - May 30 - Dr. Aravind  
Kailas - "Autonomous Vehicles  
are Coming: Are you ready for  
them?"**

Dr. Aravind Kailas

Dr. Kailas manages innovation and R&D activities to create and commercialize sustainable transport solutions for the Volvo Group. He has been instrumental in promoting Volvo's creative assets and key technology positions and has spearheaded policy and outreach efforts in the connected and autonomous vehicle spaces. Dr. Kailas has also initiated all truck platooning activities in North America to shape the legislative and market landscapes.

**President's  
Message**

Last Thursday our Membership Committee produced another excellent Rotary Revealed party under the leadership of Lydia Vincenty-Lowell. Craig Dougherty opened up his beautiful home on the Peninsula to 72 members, prospective members, and extended club family. You could feel summer coming around the bend as we munched coconut haystack cookies baked by President-Elect Gail Schwandner. The obvious love and pure joy in our fellowship at gatherings like these reflects everything we want would-be members to witness. As a result, we are attracting high-quality human beings of impeccable character and have many great people waiting to be introduced as members. Our club makes a difference every day by performing service of great magnitude by any standard of measurement. We use service as an opportunity to get to know one another and the

Jun 2 - **Paul Allen** - Adaptive Technologies Group, Manufacturing - Audio/Visual Components
