**This Week's Lunch Program -
Wednesday - June 13 - The
Demotion of President #101**

Pre-president Steve Keesal

As customary with the last official lunch program of each fiscal year, the program focuses on the president. President #101 shepherded his board and the club towards an engaging year of fellowship and pride in accomplishments. There's plenty to *toast* and *roast*. If roasting may be offensive, you may choose to forego this meeting and just enjoy the Presidents' Party on June 20 to celebrate, instead.

As we assembled at Centennial Park for the monthly clean-up this Saturday I noticed Chris Ortiz, recipient of the Long Beach Rotary Scholarship Foundation's Mark Bixby Leadership Award, and his brother were with us. As the spirit of Mark Bixby permeated those present we were certain that the Scholarship Foundation had found the right guy. Way to GO BIG, Chris Ortiz.

The Long Beach Public Library Foundation honored our Club this Sunday for our contributions in literacy. We can all be proud of our members who have read in classrooms, contributed 250,000 new books to kids, and \$300,000 towards our Centennial Legacy Project; a story-time theater/early literacy area in the new main library that is currently under construction. Thanks to the leadership of Jane Netherton, Nancy Kindelan, Frank Newell, Paul Kennard, Cam Killingsworth, and Jayne Lastusky we are rocketing into our next 100 years as the undisputed
