***President's
Message***

It is an honor and privilege to introduce Gail Schwandner as our President this Wednesday; nobody does it better. We are in for an excellent year.

The passing year is now a flood of great memories. I am humbled to have represented your efforts in a myriad of situations in which we can all take pride. It has been magnificent to surveil and encourage the hard work you joyfully and expertly execute; to experience friendships forged in the bonds of service. I had always felt I had a firm grasp of who we are but I am not embarrassed to admit I knew only the tip of the iceberg. There is nothing within my experience with which to compare the Rotary Club of Long Beach and I will always love its members.
