July 31, 2019 - Vol. 103, Is

This Week's Lunch Program - July 31, 2019

OFFSITE - MEETING STARTS AT 12 NOON !

10 Mile Brewery

1136 E. Willow St., Signal Hill

Dan and Jesse Sundstrom

Nine years ago father and son duo Dan and Jesse Sundstrom began home-brewing out of their garage in Southern California. In 2012 they converted their passion into a full-time business. Ten Mile comes from the Kings Canyon National Park region of the Sierra Nevadas; the family has owned a cabin and vacationed there for generations. The Signal Hill taproom uses raw elements similar to what is found in the Ten Mile Creek-Hume Lake area.

Whether you drink beer or not, enjoy visiting this local family-owned and operated business.

Space is limited.
Reservations were required.

Carpool, if possible. Limited on-street parking on Lemon and Cherry Streets.

"Feeding the Future" - Food Packaging

As our special Community Service Project this year, we are organizing a food packaging event in October to provide non-perishable meals for students at LBCC and CSULB who may be food insecure. Our club spends thousands of scholarship dollars every year to help students succeed. But how can a college student succeed when they are food compromised and hungry?

Stay tuned for dates and details of how you can participate in this special project from which we have received a matching District grant. Our goal is to package 4500 meals on a Saturday morning.

Rotary Club of Long Beach usually meets every Wednesday
at 12:00 noon on the Queen Mary (1126 Queens Hwy., Long Beach, CA 90802)
Club Office: 400 Oceangate, Suite 470, Long Beach, CA 90802

[President's Message](#)

Hello!

Last week was the first Rotary "Friend-Making" (AKA: Networking) Event of the year. I suspect many of you knew each other so you chose to discuss the question "has the 4-Way Test come into play in your business and how?" I encourage you to send any good stories my way. I'm looking for a different way to promote the 4-Way Test in our Club and these stories might give me some good ideas.

Thanks to Steve Hockett (host), Nel Varenas, Gaia Valentino (Co-Chairs) and Brade Phillips (our facilitator) for a lovely Rotary Revealed last Thursday. We had SIX new prospects as guests! Thanks also to Ray Lasher, John Grey, Debra Fixen and everyone who brought an appetizer or bottle of wine to share. We made a very nice impression.

Sunday night was our bi-monthly meal prep at Ronald McDonald House coordinated by Michele Dobson.

We all received an Evite to the Movies on the Beach on August 13th. I'm very excited that this event is a collaboration by the Membership Committee, Fellowship Committee and Communications. Your Board of Directors is committed to teaming up across lines of service AND creating some events that are family friendly so we can bring our kids, grandkids, neighbors kids and neighbors. This is exactly the kind of event we are hoping will appeal to most of our members. Be sure to respond to the Evite and let's get fired up!!

Everyone is still talking about Connie Rivera's touching tribute to our membership and the closing of her "hat business" since she's Kicked Cancer's Ass. Being there for each other is one of the most distinguishing features of our Club and I'm proud to know you all.

Rotary International Convention was held in June in Hamburg, Germany. It was in Hamburg, Germany that I refined my taste for beer (water was more expensive, swear) so I'm looking forward to seeing you all on Wednesday at 10 Mile Brewery. Anyone who can start a company in their garage and grow it to a brick and mortar has the stuff Rotarians are made of. Let's go meet them...oh, and taste their beer!

See you on Wednesday! Early start time at 12:00 noon.

Mollie #103
