

## Is Rotary for me?

Good question! If you can answer “yes” to any or all of the following questions, then perhaps Rotary is for you:

- Do you want to feel a closer personal connection to Long Beach?
- Do you want to give back to the community to help improve the lives of those living in our city?
- Do you want to form friendships that can last a lifetime?
- Do you want to surround yourself with people of truth and integrity and who do things that are fair and beneficial for all concerned?
- Do you want to grow in personal development and leadership skills?
- Do you want to have lunch weekly with a room full of like-minded and kind people to hear and learn from interesting speakers on various topics?
- Do you want to be able to meet others throughout the world by visiting any of the 46,000 Rotary clubs internationally?
- Do you want to be part of an organization with a mission to advance world understanding, goodwill, and peace?
- Do you want to share your time, talents and/or treasure to make a positive change in our community and in the world?
